that Our Lady has asked that the Year of the Youth be extended for one more year since they are beset with many problems and need our prayers. This was also an answer to my prayers because I felt that as of August 15th, the year of the youth would be over. This summer there are many young pilgrims from all over the world who will be making pilgrimages culminating in a Youth Prayer Festival from August 5, to August 19th which coincides with Our Lady's birthday on August 5 and the Feast of the Assumption on August 15th. This is a very special time of grace and I sure all of those young people who attend will be abundantly blessed and I pray that they receive the solutions to all their problems.

Currently, I am working on getting this pamphlet translated into Italian and Spanish, to reach more young people.

The year of the Youth has been an extended by one year, I antigipate a second printing.
